

INTERNSHIP OPPORTUNITIES ANNOUNCEMENT FOR

USAID DATA, EVALUATION, LEARNING, AND TECHNICAL ASSISTANCE (DELTA) ACTIVITY

INTERNSHIP PROGRAM – COHORT 2

The USAID DELTA Internship Program is a multi-year intervention intended to produce a new cadre of qualified monitoring, evaluation, and learning (MEL) professionals within the Liberian workforce who have the skills required to contribute to future Liberian development programs. Under the internship program, a cohort of 20-30 interns will be trained and placed with host organizations in Bong, Grand Bassa, Margibi, Nimba, and Montserrado Counties each year. Each intern will receive a monthly stipend and an assigned laptop for the duration of the placement. Interns will also receive periodic training and routine mentorship on monitoring, evaluation, and learning, work readiness skills, and computer skills.

PERT Consultancy, Inc., USAID DELTA sub-contractor, is the implementing partner for the internship program. PERT Consultancy, Inc. is currently recruiting highly self-motivated, hardworking, and committed young people for Cohort 2 of the internship program.
